
LAKWOOD CROSS COUNTRY SKI CLUB

President's Message

Dear Lakewood Cross Country Ski Club Members,

I hope our members are safe and healthy in these difficult times we are all going through. We will do our best to get the club's work done in as careful a way as possible. Tom Lane once again has completed the summer mowing, and his work is sincerely appreciated. Great job Tom!

Fall trail clean-up will take place on the first three Saturdays in October. We will also be having our fall meeting virtually again, on Wednesday, October 14th at 6:30 pm. Details on signing up will be handled through our website <https://lakewoodxcskiclub.com> Please check there for information.

The July 11 virtual meeting went well, with club business completed in record time. Approval of the minutes, officers, treasurer's report and the 2021 budget were accomplished. The main item of replacing the tracks on the Piston Bully was passed unanimously. The tracks have been ordered and should arrive in Lakewood in late October. Paul and the Fabulous Maintenance Crew will install them before the snow flies.

The club has now invested over \$55,000 in upgrading our grooming equipment in the last three years. So when renewing your memberships I hope you can add an extra donation to help in rebuilding our equipment account.

Because of the impact of Covid-19 on the business community, we will not be printing new maps this year. Instead, we have enough maps left to get us through this season. As a way of giving back to our business members in these tough times, there will be no charge for a third season. We will, however, accept any donations they choose to give.

I would like to thank the Board members and all volunteers who will help us navigate through an unprecedented season. We will do all we can to keep our trails safe and enjoyable. I look forward to deep snow, moderate temperatures, and fast tracks.

Yours Truly,

Tim Klima

Trail Cleanup days are Saturday, October 3, 10, and 17. Volunteers are very much needed. Crews will be removing storm debris, brush, and fallen trees from the trails, clearing the way for a smooth grooming season. Plan to meet at the golf course parking lot at 9:00 am. Please call Tim Klima at 920-948-0777 if you have any questions.

See below if you wonder if you should join the trail clean up crew!

Fall trail clean-up, equipment maintenance, and of course grooming all contribute to the pristine ski experience you appreciate.

Just in case you have forgotten how spectacularly beautiful the Lakewood Cross Country Ski Trails are!

FALL MEETING NOTICE

Wednesday, October 14th at 6:30 p.m.

The Fall Ski Club meeting will be held virtually. Please visit our website <https://lakewoodxcskiclub.com> for information on how to join this meeting.
