
LAKWOOD CROSS COUNTRY SKI CLUB

President's Message

Dear Lakewood Cross Country Ski Club Members,

After a disappointing ski season – late arrival of snow, marginal conditions, and a quick end to the season, we were able to financially survive because of the generous contributions by members and businesses alike.

The Fall trail cleanup will take place the first three Saturdays of October. We will also be having the virtual meeting on Monday, October 11 at 6:30 pm. Details can be found on the club's website. <https://lakewoodxcskiclub.com>

The maintenance crew has been busy this off-season with service work on the Piston Bully, Gator and the trail mower. The Piston Bully has been shipped to Kossbohrer in Minneapolis for long awaited service to the tiller. Tom Lane has once again done a magnificent job of mowing the trail for summer use.

We have been moving forward with the culvert replacement on the north end of the trail. The new culvert has been ordered with installation to be performed by Marshall Excavating of Lakewood as soon as it arrives.

We will be printing new maps this year. Colleen Altman is in the process of notifying business memberships regarding renewals. If you have any referrals for new members please contact Colleen or me with pertinent information. We are always looking for new members to advertise on our map.

Once again I would like to thank the Board members and all of the volunteers who help Lakewood Cross Country Ski Club continue to provide exceptional recreational experiences on our trail system.

Stay safe,

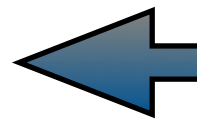

Tim Klima

Trail Cleanup days are Saturday, October 2, 9, and 16. Volunteers are very much needed. Crews will be removing storm debris, brush, and fallen trees from the trails, clearing the way for a smooth grooming season. Plan to meet at the golf course parking lot at 9:00 am. Please call Tim Klima at 920-948-0777 if you have any questions.

See below if you wonder if you should join the trail clean up crew!

Fall trail clean-up, equipment maintenance, and of course grooming all contribute to the pristine ski experience you appreciate.

Just in case you have forgotten how spectacularly beautiful the Lakewood Cross Country Ski Trails are!

FALL MEETING NOTICE

Monday, October 11th at 6:30 p.m.

The Fall Ski Club meeting will be held virtually. Please visit our website <https://lakewoodxcskiclub.com> for information on how to join this meeting.
